To Whom It May Concern:

We have been using Team Pest Control for fifteen (15) years here at Long Island Industrial Management LLC. There have been significant pest problems over the years and Team Pest has responded immediately communicating with our tenants and staff. The problems have been corrected and as a result left our tenants and property feeling safe and protected. We are happy that Team Pest is a respected member of our service team.

Please let me know if I can answer any further questions by telephone 516/364-5000 x 226 or email at jeffc@longislandindustrial.com.

Sincerely,
