Capt. Ken Stein

To Whom It May Concern,

Sayville Ferry Service has been using Team Pest Control for the past six (6) years. We are a transportation business located on the south shore of Long Island in the town of Sayville. We use to have significant problems with ants and other pests that since have thankfully been corrected. The response time, professionalism, attention to detail and dedication are simply impeccable. The sensitive approach to our environmentally challenged location on the waterfront has been handled with the utmost care. I have personally recommended Tom and Team Pest Control to staff and clients with no reservations whatsoever. They do a great job educating us about the pest's behavior and things we can do to prevent them. I appreciate their immediate actions designed to protect property and people from any further pest infestations or harm.

If there are any further questions I can be reached at (631) 589-0810.

Sincerely,

A handwritten signature in black ink, appearing to read "Kenneth F. Stein III". The signature is written in a cursive style with a long horizontal stroke at the end.

Kenneth F. Stein III
